As a close friend of Mr. Jon's son Mark, I want to express my deepest sympathies to all family and friends.

These things are tough, and it hurts to know that people you care about are in pain. It seems that life blows by so quickly in this chaotic world.

Mark... You are one of the most solid guys I know. If there were a way to end this pain for you, I would walk through fire for you. Don't hesitate if you need me brother. You have a loving, and HUGE family that I envy. Love the little man and your wife, and work hard toward happiness. You and your family deserve it my man.

God Bless.
