“ Sending prayers of peace and comfort for the family . You played a huge part in my life and i have wonderful memories that will always stay in my heart. From double dates with you and Shelda to boat rides, to the trip to Texas to shooting your pistol for the first time i ever shot a gun. So many memories i cant count right now. You touched so many lives in so many ways. You will never be forgotten and will stay in our hearts forever. Rest in the arms of Jesus. Until we meet again.

“ Wow. My heart has dropped when I heard this. Truly a gentleman from a passing generation. He and his brother in law, twin of his wife, Uncle Scott, were two men who marked their love for family in my life. Aunt Shelia picked a good one.

Will never forget the great times with him and his family. Building beds in the back of his trucks and letting us sleep while he would drive down to Brownsville all night. Letting me drive his new truck in camp grounds which made me real nervous. And of course he always stopped and picked me up to help him shrimp in his skiff each summer for years. How can anyone not feel the love from such a great gentleman.

I feel for his family and have been steady praying for him and his family since I heard he was sick. Aunt Shelia, Uncle Scott, Uncle John and now Uncle Herman will have his own bead on my Rosary. My God give him peace and rest.

With Love and Prayer
