

## Justin Lee Sibley

December 6, 1983 - August 3, 2019

Justin, age 35, passed away on Saturday, August 3, 2019. He was a resident of Livingston Parish who loved to listen to music and make people laugh with his practical jokes, but most of all spend time with his beautiful daughter, Jayda'Lee. Justin never met a stranger and would give the shirt off his back to anyone in need. Everyone knew Justin and his grandmother, Carol Sibley were 2 peas in a pod and was always there for each other through thick and thin. Justin was a jack of all trades, but a master of none, that is already greatly missed by all who knew him.

He leaves behind his daughter, Jayda'Lee Da'Shay Sibley; parents, Stephanie Efferson and husband Malcom, David B. Stafford Sr.; siblings, Hannah Guillotte and husband Bret, Elois Hogan, Janie Sims and husband William, David Stafford Jr. and wife Joyce, Chris Efferson, Craig Efferson, Penny Bergeron and Lillian Hill and husband Jim; as well as numerous nieces, nephews and friends.

Preceding Justin in death were his daughter, Aliviah Hope Blount; and his grandparents, Eldon and Carol Sibley, Walter Stafford and Clovette Brock.

In Lieu of flowers the family requests donations be made to the funeral home.

Relatives and friends are invited to attend the visitation from the chapel of Thompson Funeral Home in Hammond on Saturday, from 6:00 p.m. until 9:00 p.m. Visitation will resume on Sunday from 12:00 p.m. until the Funeral Service at 2:00 p.m. Bro. Rusty Silvertooth will officiate the services with burial to follow in Stafford Cemetery.

Condolences and other information are available online at [www.thompsoncares.com](http://www.thompsoncares.com).

Arrangements have been entrusted to Thompson Funeral Home.

“ Man I don't know what I'm going to do with you. You always made me laugh, even if you didn't mean to. When you walked out to get in my car a few weeks ago with that hair. OMG, I was rolling. You thought it looked good. You kept tapping me telling me to shut up. Man I'm missing you so bad right now. I always loved your pop ups at the house. I never knew when you were gonna drop in, but it was always good to see you. I knew there would be laughter. We didn't have to say much. We'd watch TV or just have lunch. Just being in your presence was enough. You were one of my first friends growing up and I will always carry you with me. I love you Boy.

“ I love you and miss you so much Justin Lee. You were definitely one of a kind and one in a million. One of the greatest memories I have of you is the night you got your tongue pierced and then we went out. I also remember the times we snuck out to go hang out down the road or at the river. I will always cherish your memory and the fun

times we had. Gone but not Forgotten Love your sister Jacey

“ I pray Babyboy that u know just how much u was loved and wanted and how much u will continue to be loved, needed and missed. As far back as I can remember u have always been in my life, a constants person even if u were in your timeouts u was still avid in my life. U weren't just the average nephew u was above that all. U were my brother and one of my best friends, we had are ups and downs about certain life

decisions and choices but my heart never weathered loving u any less, because I mean if I could share my mama with u then that meant it was love. I hope u always know sweet boy that maw-maw loved u with all of her no matter what, u did no wrong in her eyes nor mine. U was just a young man that had to figure out life on his own and we was the safety net to catch u when u fell. U will never know what losing u has done to me and everyone else. I just cant understand why u didn't come to me, why u didn't call like u always have with a problem. I know that god says to never question his work to be still and know that he is God. but I'm human and I need answers, u was my baby I loved u before I had my own. U had a great purpose and I'm beyond proud of u that u made the decision in your life to be a donor and to give the gift of life to someone else, that itself speaks volume of who u were and that is such a selfless and priceless gift, u saved three other peoples lives that we know of and that is such a honor. U ARE A HERO, U ARE MY HERO! I just wish u were here still living your life with us. I just don't understand. I LOVE YOU SO VERY MUCH AND WILL MISS U ALL OF MY DAYS. Kiss Maw-Maw and Aliviah for me and hold them tight. I LOVE AND MISS U ALL!
