“ Just a note to the family to offer my sympathies in your loss. I was the youngest of the clan, but have vivid memories of my family, Aunt Georgie's and Uncle Brub's family as well as Aunt Lillian and Uncle Cecil. The Richardson/Robinson family had strong family ties that lives on today. When i saw Kathie in the hospital after she learned of her illness, she looked me straight in the eye and said I'm not ok, but I will be ok. She smiled and then said I probably won't see you again. Through the lump in my throat and smile in return, I told her, yes...I will see you again. Her smile in return knew exactly what I meant and I clearly understood what she was saying. One day there will be no more tears and no more sadness in this life. I look forward to that day when our LORD will return to establish the Kingdom of God. Yes...I will see Kathie again. God bless y'all as you work through this time of mourning and celebration of Kathie's life. Love y'all. Joy King

“ We have lost a bright light. Aunt Kathie always brightened the room with her sunny personality. Always a kind word or gesture. Although we weren't as close as some, she really made herself available to me following my own mother's passing. She was a true blessing to me, and certainly will be missed by many. I know she is close, still watching over her family. Another Angel got her wings.

“ We were saddened to hear of the passing of one of the most caring and giving friends I have the privilege of knowing. She was like a part of our family and one of my mother's dearest friends. She unselfishly put others before herself, did not complain, and saw the silver lining in every circumstance. She will be dearly missed. Carol and Donnie Carter and all of our family
