“ This is very sad. Ken was my oldest and best friend. We grew up together in Colorado Springs as kids. He joined the Navy in 1954 and I joined the Navy in 1955 and luck be it we got stationed together at NAS Jax Naval Air Station in Jacksonville, FL. The girl he married had the same middle name as my wife (Joann). We kept in touch and seen each other through the years. We called each other every few months but the past few months I never heard from him so I would call him but he never said he was feeling bad. I told my son the other day that I should call Ken as I have not heard from him in a couple of months and my son said to give him a call... The worst news of my life I found on line.. God Bless you Ken, you was best and kindness person I ever knew. I will really miss you. My heart goes out to your twin girls Terri and Cheri and your family you had the best dad in the world.
