“ For me it was always a pleasure to be with Mr.Lee. Before L ever really got to know him well L heard stories from people all over the Northshore. One thing for sure was how proud Mr.Lee was of his family and The Willies are a huge family. I coached Trey at SLU in baseball. In 30 years of coaching, I can say that there were none better as a student- athlete. We all know Trey turned out to be one of the best QB’s to ever play at SLU. Great player and even better teammate. Years later I became his asst. coach at Amite. Trey’s Daddy Vernon has been like an older brother I never had for almost 20 years now. He has always been there for me. I say this because this is all a reflection on Mr.Lee and his wife. What a great family. I pray that Mr.Lee will now Rest In Peace and will enjoy watching over us all. My condolences to the entire Willie family. Lord, eternal rest grant on to Mr.Lee and let perpetual light shine upon Him forever. Amen.

“ Mr. Lee, as his softball girls used to call him, will be missed. His Mixed Nuts softball players have many good memories of our old coach. He was faithful and patient, no matter the weather or the score.

“ We will miss our next door neighbor and his big smile. So many years he was out in the field tending to his cows, clipping the pasture, giving us a wave and saying "Howdy, Neighbor," then stopping for a chat over the fence with Steve. Strange, they were/are both afflicted with very similar diseases, and Steve has asked me often about Lee's well-being. Our love and sympathy to all of the family. May cherished memories bring each of you comfort.

“ It is with great sadness that I offer condolences to the Willie family. In recent times through family on a regular basis I would keep track of Lee's health. I have fond memories of our conversations when we would stumble upon each other whether it be at a cattle sale or at a cafe. He was my kin but also my friend.

“ To the Willie family,
I am so sorry to see the passing of Mr. Lee. I always enjoyed talking with him when he worked for the school system. Please know each one of you are in my prayers and thoughts.

Love y'all,

“ A giant spirit and big heart will forever be remembered. I can hear him on the phone with my holiday calls, "it's Nita Fay." There are no perfect words during this part of life's journey. He is in the presence of Our Lord and reunited with his family. Your family will remain in my prayers always.
