“ Anita,
So sorry to hear about Ms. Allie. She was a wonderful person and a great neighbor. I know the last few years have been tough for you and the boys, but you handled it with grace and dignity and I know that her death is going to leave a void in your lives that cannot be filled and yet life must go on. You were very blessed to have had such a wonderful mother and father. You and the boys are in my thoughts and prayers.

“ My prayers are with y'all. I met Mrs. "A" (as I called her, cause I never could pronounce her name) when I worked at CVS Pharmacy in Ponchatoula. She was a very, very sweet Lady. It was a joy seeing her all the time. She tried real hard to teach me how to pronounce her name. I never could get it though. My prayers for y'all in Jesus name.
