“ My prayers to the family. Aaron was a very nice neighbor. He was always willing to stop and talk when I would see him at the store. My mom used to tell me about Aaron and I with our lunch boxes standing at the drive waiting for the bus for the first day of school--- she said we were so excited.##imported-begin##Cheri Haydel Wittmer##imported-end##

“ My heartfelt sympathy to Mrs.Rosie & family. I'm happy to have shared my school days with Aaron. And, sometimes he "shared" his answers with me! I remember him as a wonderful friend and classmate.

“ I HAD TO GO AWAY

*I had to go away.
I'm sorry you couldn't come with me.
But on earth is where you shall stay.
Please do not be sad.
Instead laugh and be glad.
I'm in a beautiful place, such a beautiful place.
I know you wont see me for a while.
But you will hear from me.
I will be the wind that will chill you on a hot summer day.
I will be the sun that will warm you when it's cold.
Listen to the birds sing, I will be saying, "I love you" in their song.
I know you can't touch me.
But you will feel me.
Because I will be inside of you giving you life on the days you feel
like you can't go on anymore.
Please I beg of you, go on, live your life as I lived mine.
Always remember we will be together again.
I will be patiently waiting for you on that day.
When you will join me in this beautiful place.
Until then may God bless you with his almighty grace.
