“ I just want to say thank you to a man who gave life to two of the most precious angels on this earth. Adam many people misunderstood u but I know u were a great man and a wonderful father. Most of all you tried to help my sister. I am so sorry for all the things she put u through here on this earth but now u are resting peacefully with your mother. I wish I could have told you when u were still here but those babies have u for a guardian angel they are so lucky. God bless you.
