“ Adam is my 1st cousin who I adore. Our mothers Karlette Carter Bridges & Rhentte Carter Beck were pregnant almost at the same time. We was only a few months apart in age. I remember when my mom would tell my oldest sister (DEtte),younger brother (Bronson)& myself (April) that we was going to visit my aunt Rhentte & Adam & how excited we would get. We played so many games & got into stuff that we shouldn't have. However,kids will be kids. I just know it was ALOT of fun! As we got older Adam was always very protective over me. He would always take up for me & make sure nobody would ever hurt me. He always had my back! Adam was so fun loving & liked by anyone he would meet. He grew up to be the most amazing person anyone ever knew. He was such a good dad & husband to his wife Dale & two daughters Sydney and Carlea. Having a family of his own was very important to him. His smile, demeanor,& layed back sense of humor was so likable. He always could see the light in any bad situation. He will always be my #1 cuz. It lightens my heart to know that he's home in heaven with his mom & loved ones. I know he's happy & dancing on the streets of gold. His job was fulfilled here & now he's at peace in paradise. Until we meet again cuz! Your cuz April Bridges Anzalone

“ Gonna miss you my friend. Talking LSU sports and calling each other trying to find gas during the hurricane aftermath. Never met someone with such a positive attitude about everything. Fly high my friend.

“ Adam embodied the kindest soul. He brought people together just by being himself. He would talk to anyone, give the shirt off his back, and forever an optimistic would not give up on anyone or anything.

He was more than a spark. He shined like the sun, blinding you to only believe in the good of any situation.

I like many others can say that my memories with him are filled with laughter and joy. Even through difficult times he was shining and filled with light to lighten our burdens.

On days that the sun shines so bright I will forever think of my beautiful friend who I love like family.

Please pray for his beautiful family who he loved with his whole self.

“ Although I personally didn't know Adam, I was aware of his presence and dedication to the things dear to him; his family, his students and his Fraternity. Adam's name was never spoken lightly about and those who knew him understood his strength as a just man.

Please know that the family of Adam, his faculty and staff, as well as our Fraternity understands the loss and have all of you in our prayers.

Our Father welcomes him to join those in His Kingdom for Eternity in a peaceful life-after.

Rest in Peace Frater...

“It’s so hard to think of one memory that I have with Adam. The college days together, waiting tables, Mariners, graduations, marriages, births, deaths, vacations, parties, card nights(even in hurricanes), and all the bbqs. Our friendship started at Don’s. He was the first friend I made there 25 years ago. We both planned on being teachers as well. Then he changed course, but I was lucky enough to have him join me at teaching at Champ Cooper. It was such a blessing to have such a great friend and comfort right down the hall. I will miss our early morning chats and “planning period” hangouts. Most of all I will miss seeing him with my kids. He was able to teach Callie and Ty. Which was hysterical because he was like their uncle and they would complain about how boring his class was to him. Lol He would just laugh and start teaching them another lesson. They loved having him as a teacher. Natalie would just bring him her science homework, he would try to teach it to her, but ultimately he would end up doing it for her. There won’t be a day that Adam won’t be missed by me. I’m praying for my friends Dale, Sydney, Carlea, and our friend group that has such a hole in it now. I love you Adam and you will forever be one of my favorite people.
Love, Dea

“ Adam has always been the nicest person that anyone could know. I always thought of us as being cousins. When we worked at Champ Cooper together I often enjoyed talking and reminiscing on old stories and people we knew. Adam always had a kind word and a good positive attitude. I never heard him say a negative thing about anyone. Eager to be a help, tell a joke, or just a simple smile was his way. He was a ray of light in a dark world. He amazed me how positive his attitude remained after he was diagnosed with cancer. I will forever remember him. He was a very special person who leaves a gaping hole in his absence. My thoughts and prayers are with Dale, Sydney, and Carlea.

“ Mr. Gill and I started teaching at Champ Cooper 4 years ago. He was the 7th grade science teacher and I was the 6th grade science teacher. Our first year we would spend many afternoons coming up with hands on, engaging, interesting lessons and searching my closets for any kind of materials we could find. He was a great teacher, and awesome co worker, and an amazing friend. He was always so respectful to everyone and always had a positive attitude. I will miss seeing him daily and enjoying conversations with him. I know he is in heaven watching down on all who loved him, especially his wife and daughters. May he rest in peace, his battle is over. Adam, you will be missed very much. Thank you for being you! Work will not be the same.

“ Mr. Gill was always walking around talking to mr. Sam every time I saw him, I'd always try to ask/talk to him how his day was, or “good morning Mr. Gill.” And he's always respond, “hey Braylon I'm doing good how about you” he was there for you if you needed to talk. When I found out what happened, my heart dropped, you never really expect to lose someone who taught you in school. May he fly high! 🙏🕊️
