“ Words cannot convey the anguish I feel for the loss of Hollis and Betty's beloved son Alex. I have known and loved Alex since he was a baby in diapers. His parents rescued him from an uncertain future. They can be very proud of the fine, polite young man that Alex became. Because of COVID, we will remain in the parking lot during the funeral and we will join the funeral procession to the cemetery. Clark Forrest

“ *Hollis and Betty,*

My heart is just breaking for both of you and all your family. Alex was always so sweet and respectful. Anytime Daddy came from y'all's house he would talk about what a "fine boy" y'all had. I love you both and one day you will meet him again on that beautiful shore.

*My prayers are with you both,
