“ *Nathan and Family: Sorry for your loss. I only knew your father for a few years and he made a lasting impression on me and I will always remember him. I apologize for not being able to attend the services, but my family and myself are with you in prayer and sympathy. I was going to send you a sympathy card, however I was not able to find one that reminded me about your dad, tulips and an iris did not seem to represent the man. Again you have my deepest sympathy and if you are in need of any support of any kind please call. Your friend.*
