“ It has been 26 years that I have been looking for my biological father with many failed attempts at contacting him. My name I Billy Wayne Taylor I 42 years old and I live long beach California. I am the son of Linda Joyce Pike and Allen Wayne Robertson Who dated for three years prior to a split. Linda Pike then dated Paul Sawyer ( Allen's cousin) who found out she was pregnant by Allen Roberts and wanted her to abort the baby. Linda Pike left Paul Sawyer and contacted Allen Robertson when I was born. Allen Robertson knew about me and we attempted several contacts throughout the years with no success. I would really like to know about my father. If someone one could please contact me and just tell me about his life I would appreciate it do much. Today is August 6 2012 and I just found out that Allen Wayne Robertson passed away in 2007. My heart is heavy and saddend that I never got the chance to know him.##imported-begin##Billy Wayne Taylor##imported-end##
