“ *It has been almost two years since you left this world for your heavenly abode and I miss you still. You and I made some great memories growing up together and I will cherish them always. My children and grandchildren love to hear about some of the things we did together as kids as much as I do telling them. I have used your testimony for Christ many times in sermons I have preached. So glad to know that one of these days we will be reunited as the children of God.*

*Your Cousin and Brother in Christ*
