“ I know I am 2 years late with this but I just found out about your passing, Andrea. You were a good friend and I'll never forget the time we decided to take my son to Grand Isle and I was driving on Hwy 1. I kept driving and driving and eventually I said, "Andrea didn't we pass that church a while ago" She said I think so. Come to find out we had been going in a circle and came back to where we had started! hahahaha! R.I.P. my sweet friend. Hugs, Vicky

“ When Andy and I were little girls we would spend the entire day
playing on her front porch planning a musical performance for our
parents at the end of the day. We would put holes in sheets to hook
curtains for our stage and then run and hide because our Moms
weren't happy we ruin the sheets. I don't think we ever got to do the
actual musical. Those were good times. Will miss you.
Love,
Julia
