“ When Uncle Andy married my dad's sister, Aunt Nesta, they really rolled with all his heart. Some of my best memories with him included learning how to shoot a 12 gauge shot gun, listening to him play guitar, and riding around in the bucket of his tractor. I never in my life seen a day where he wasn't smiling. His love for us and others has left a great impression in the way I treat myself and others. What a wonderful Uncle and human being his kindest.
