

Angela R. Habarta

July 6, 1970 - August 26, 2025

Angela, age 55, passed away on Tuesday, August 26, 2025. She was a resident of Loranger, LA. A true fireball, Angela lit up every room she entered. Her hands were rarely still, always drawing, knitting, painting, or crafting something beautiful. Her love of art and crafts was matched only by her love of nature. Whether it was a walk through the woods, a day in the garden, or an evening by the fire, she found joy outdoors. Angela had a special place in her heart for cats. Angela adored them and shared her life with many feline companions over the years. She leaves behind a legacy of love, laughter, and handmade treasures, as well as countless memories of her feisty and joyful spirit. Angela will be deeply missed.

She is survived by her daughters, Amber Habarta, Melanie Becnel Olsen (Daniel); sister, Shannon Bergeron; brother, John Chris Habarta; grandchildren, Amiya Lee, Amani Lee, Anastasia Lee, Colton Olsen, Genevieve Olsen; and best friend, Emily DeVille.

She is preceded in death by her mother, Debra Lynn Moates.

A cremation was held and private services will be held by the family.
