“ *Thank you dearest Angela for being such a kind and genuine friend to me. I will always cherish the many humorous anecdotes, and inspiring messages you would send, simply because you knew they would bring me joy. I'm so blessed to have known you.*

I send my prayers to her husband Dennis, and all her loved ones. May God cover you with His peace and comfort.

“Goodbyes are not forever, are not the end; it simply means I'll miss you, until we meet again.”

“ I met Angela through our love of crystals. We spent time hanging out in IG live sales. Because we had so much in common we quickly became friends. Our love for music, crystals, spirituality, horses were topics of conversation for hours on end. We thought of each other as "sistas" . The light she brought into my life will be treasured forever.

“ I will forever cherish our memories, sis. You always looked after me but yet that's what made you so special and that's why you are deeply missed by so many. Those that you loved, you loved and cared for deeply. We were all so blessed to have had you for the short time we did.

You would be so proud of me! I am doing all the back stretches & exercises you shared with me and I can feel a difference.

I know you're watching over us all, just as you did here on earth. Give dad a hug for me. I love & miss you, your little sister.

“ I keep trying to write something uplifting, a funny memory but all I can think is how much I am missing you. My mind can't process the loss, so I found this message that says everything I am feeling. So here it goes.

The moment that you left me, my heart's split into. One side filled with memories, the other side died with you. I often lay awake at night when the world is fast asleep, and I take a walk down memory lane with tears upon my cheek. Remembering you is easy, I do it everyday but missing you is a heartache that never goes away. I hold you tightly within my heart and there you will remain, Our Lives going on without you, but will never be the same I miss your big beautiful smile and that one of a kind laugh. Love and light my sister can't wait to see you again. 💜🦋💜

“ She had such a wonderful warm sense of humor. I teased her a lot but she reveled in her silly roll of being a little piggy's sister wife. She was a blessing to everyone who knew her and we are all better people for having her love us.

“ I never met Angela in person but I knew her from Angel's lives @pinkstoneminerals for over two years. Talk about a sense of humor!! I truly was going through some difficult times but when she came into the lives it was a true lift for me. I know she is shining down on us and made a difference in this universe we currently are on. Sending love, hugs and lots of peace during this emotional time to Dennis and all of her family!! I end this by saying it's not goodbye but until next time WHEN WE SEE each other again! 🙏🙏💕

“ I met Angela in 2007, we were all from St. Bernard. We all became close. She helped me with my plants, and how to care for the plants. She was a very loving and kind lady. Will be missed by many. Plant your flowers in Heaven.
