“ I'm so lucky that we were able to fix our relationship in these last 4 years. This last year I was closer to you than I have ever been. That's something that I desperately needed from you. You were the person you were meant to be, kind, loving, forgiving and understanding. I'm glad I got to see that side of you and so happy that Ava got to know her grandma. She loves you so much and thought you hung the moon. No matter what, momma, I've always loved you. Im gonna miss you Daryl Ann 🙏
