“ *I am so terribly sorry for you lose. I will always remember all the times we had sleepovers at Mrs. Anna's house with the girls. All the times she drove us to softball practice and games, jamming out to music in her car. Yelling at the umpire when he made bad calls!!! She was always so much fun to be around. She is also the reason I love leopard print. I have profound memories of her in that style and she always wore it so well! I'm deeply sorry for the loss of her. She will truly be missed! ❤️*
