“ Brother Red always told it like it was. He was loving, kind, and caring. When my husband announced our engagement, he told me, "You better not hurt him, or you will answer to me!" I am sure glad I passed his test! He is continuing to do a great work in heaven, we have no doubt! We will come and see you as soon as we get back from Texas. We are taking care of grandchildren.

“ Brother Red was the sweetest man. You could never walk by him without giving him a big hug. He loved and found the good in everyone I only seen him get mad one time and that is when I cut his little fruit trees down I thought they where large weeds LOL. We will all miss you brother Red but will meet again soon..

“ Always a hug when you needed one most. Sweetest kindest man I ever met my wish for Red is that he will have lots of little children in Heaven to watch over. He had been Bishop for several years but always said the calling he loved the most was nursery leader. Rest in peace Papa we will all love you forever and never forget you !

“ Red Aultman has always been one of the kindest, most caring men I've ever known. I have been gone from Louisiana for almost twenty years, and yet each time I visited he was always one of the first to greet me with a smile, a hug, and a genuine, heartfelt compliment. His example of humility, positivity, and charity left a mark on me that I will not forget.
