“ Ashley it is so hard to believe it is almost one year since you have
been gone. There is truly not a day that goes by that I do not think
of you. The greatest honor you gave me was being the Godmother
to Rose. She is growing up and becoming such a little lady. I know
you must be so proud of her. With every once I have inside of me, I
promise you I will do everything I can to make sure Rose becomes
a strong, beautiful, independent young lady. You were always a free
spirit and now you are an angel. I love you truly and miss you
deeply. Always, Kristie

“ My heart aches for this wonderful God given family! I love yall. And yall always will hold a special place in my heart!!

Ashley was the most genuine individual I'd ever met. She became my best friend within seconds. She could brighten your day even when it was the worse day ever. Despite her own battles, she helped me to be where I am today. She believed in me, as I did her. She was my big little sister. We both learned lessons from each other. She's a beautiful woman inside and out. Gods got him an angel!

Mrs Pat and Mr Rick are wonderful people. They have hearts out gold and Rose she's the sweetest most intelligent beautiful little girl and her smile brings out any sadness when she walks in the room. I love you all! Until next time Ashley.

Yall are in my thoughts, and prayers.
