“ *What I remember most about Mrs. Ava Lee is her faithful to God and the church. She taught Sunday School, led G.A.s, made costumes, baked tons of cookies for children’s event for years, opened her swimming pool for the kids to have activities, church Bar-be-ques on the 4th of July, ran the General Store for VBS and helped the kids memorize many Bible verses over the years. Most of all, she loved them!* ”

“ Praying for all of you. Our lives have taken us away from personal contact but nothing will take away the good memories. Patricia and I felt as though we were part of your family and that was really important since we were away from our own families so much of the time. Each one of you are special. Now, Ava Lee and Patricia are having a wonderful reunion. Love and blessings to all of you. Bro. Jimmy Sasser
