“ My deepest sympathy go out to your family this time of grief. May you receive comfort and peace you seek. God made hope for the dead possible by sending his Son to die for us. So the resurrection tells us about Jehovah’s love and undeserved kindness. When the dead return to life, whom do you especially want to see?—Read John 3:16; Romans 6:23. I hope you find these scriptures of encouragement to you and your family. If you have any questions please contact me at the email listed.

“ Betty , Sylvia and family I was so sorry to hear about your Mom . I did not know her that well but I was so very impressed when we went on the trip to the mountains with y'all how you both took turns calling your Mom to check on her every day I could tell she was loved very much and I pray GOD will comfort you and your family during this very difficult time that only HE can do .

“ I will always remember Ms. Bea's smile and her love of singing. She loved to sing the old hymnal songs and to be working for her Jesus. Thru her example I learned a lot about being a prayer warrior. May God hold you all thru this time and wipe your tears away.

“ *Beatrice was a friend of mine during her later years, but as old as she was, she was up for anything. She went with Dorothy to look at birds in the jungles of Mexico. Even though she had a medical problem there, far from a hospital, she just brushed it off. I don't think she was ever afraid of dying because she knew she had lived well. She was a delightful person, always true to herself, with a cute sense of humor. I will miss her.*

“ I have known Ms Beatrice since childhood. She was a lifelong friend of my grandparents who I miss dearly. She was admired and well respected. She and my grandparents were a generation that left us all a fine example of what being a Christian and truly loving your neighbor means. They are all reunited in heaven now. My prayers are with the Davis family and will continue to be in the days to come.
