“ I've heard it's not what you take with you, it's what you leave behind that counts. Ms. Bea left a lot of love sprinkled all over and around to so many people. She loved her family, kids and all the grandkids. But also so many people in the community. I was honored to be one of those people, growing up close by and having the love and friendship of this family. Ms. Bea always treated me like a son and I enjoyed her company so very much. She always made me feel at home while visiting. She always talked about good things, never complaining about anything. I was saddened about this, but we all know where she is, by the blood of Jesus Christ and His promise. I also want to say that Kenny is a special friend and I pray for his well being and also for Glen and Argie and the rest of the family. Thank you Ms. Bea for your kind heart.

“ *My great Grandma Bea is so dear to my heart. She is so full of love and kindness. I've never seen her mad in all of 30 years! She's truly one of a kind. I'm taking so many memories with me. These memories start as a child with yummy treats, picking black berries, sweet hugs, and eventually motherly tips such as being patient. I wish we could keep her here, but I know its out of my control. She would not want me to worry. I love you MawMaw Bea.* ”

Sad to hear the news about my Aunt Bea. She was one of the sweetest ladies I ever knew. She had such a sweet soul. It has been a long time that I saw her. When I lived in Louisiana I would go visit her from time to time and we would sit on the porch and talk about all sorts of stuff. She was a wonderful loving lady. My Daddy's oldest Sister! I just want to send my love, thoughts and prayers to my family. I wish I could be there in person but I can't but I will be there in heart. Love you Aunt Bea. Love Angela <3
