“ Dear Wanda and Donald,

I cannot imagine what you must be going through with the loss of someone so very close to you. I am hopeful that the fun, interesting, and joyous memories fill the void that has been created with your Mother's / Mother-in Law's passing. My prayers are with you and your family. Allyson Villars

“ *I have known Miss Bernice most of my life. Though I did not see her often, I will miss knowing she is there. Her quiet spirit and her calm acceptance of the ups and downs of life are an inspiration to all. She reminds me so much of her mother, Mrs. Thompson. Glad she could be with us a few times for the "ladies luncheon". Bernice will now enjoy what she has lived for these many years--she has gone on to be with the One she loved.*

“ Want to add my sympathy to Bernice's family. She was, and still is to me, a great lady. I loved spending time with her. I was in that area for about 6 years and saw her many times. Remember visiting in her home, around the table or in her living room. I will miss her and feel,for the family - the memories in the 'alone' times.

OO

Sad "goodbye" to my best friend.. Bernice and I accepted God's Way at the same time and were inseparable, thereafter.

She was a wonderful lady and faithful to her Christian values.

She will be missed by her family and friends, but we pray her life will be an influence for good in all.
