“ I had the pleasure of working with BETH ANN. And when I called her that she always said I remind her of her mother when I said that . We use to laugh. And every Christmas or pot luck we got the honor of eating her famous chocolate chip cookies , and that darn good chocolate cake . And Coffee cake . She was a great baker oh I can't for get the Meat balls. Her personality was so bubbly and cheerful . She had the warmest heart and would give you the shirt off her back . I can truly say this was a great lost to many and especially her husband and kids and grandkids until we meet again rest easy gods Angel
