“ BJ is one Wonderful and beautiful lady that will be miss!!!! She is my best friend for over 40 years I love her very much, She has always been there for me. You cannot choose your family but,Family isn't always blood, It's the people in your life who want you in theirs: the ones who accept you for who you are. The ones who would do anything to see you smile & who LOVE you no matter what. To know her is to love her !!!!

“ BJ aka Nanny, she took me in like a daughter, we would sit and talk about anything and everything. She loved to try and give me things;plants,veggies from the garden,bed frames anything she thought I could use. She always wanted to trim my hair,but I wasn't brave enough to let her,lol. She always would tell me how proud she was of the things that I had accomplished and she always pushed me to due better. She pushed me to go to nursing school and again to get my RN license. She was so proud when I told her I had returned to school to get my RN licenses. The last memory I keep replaying is of her laughing at me while I was walking away from her sat night when I was leaving work. I love her dearly,can't believe she's gone and will miss her tremendously.
