“ So sorry to hear. She encouraged me in the ministry. I use to visit here at her little house across from St. Peters School, then she moved to Pomona and then to Garnerville. Her smile, her praise to Jesus, her energy, her smile. She made everybody feel welcome, made you feel be a part of the familt, she had a big heart. She shared the love of Jesus everywhere and Jesus always provided for her in amazing ways. One of a kind was Betty. Keep you all family members in my prayers. Remember what she told you all. Put Jesus first in your life. Then will have Joy of Jesus. Do not turn from this truth. All my love. Rev. Alicia M. Hilton

“ Rest in Peace, Betty... I'm so sorry, my dear friend..... Betty and her husband, Tony were special friends and clients of mine for many years. Remembering times when doing my "house calls" to their home ,in Lake Charles, La. Betty would say to Tony (disabled) "your girlfriend is here" which meant , "haircut time"... I'll always remember Betty's laughter, sense of humor, the many good visits and phone calls we shared... almost daily.... I'll dearly miss her..... Love and Prayers hjunemoss
