“ *"Always the Lady" is what comes to mind every time I think of Beverly. Friendly to everyone she met, making each person feel special. She taught in the New Orleans school I attended in first grade but after my year there. I'm thinking my memories of that time would be very different if I'd had her for my teacher! As sweet as she was, she had to be a wonderful educator.*

“ *Bev and I shared many holidays together: Christmas Eve at my mother and Dad’s house, Christmas at Aunt Rose and Uncle Gene’s, later Cousin Gene and Pat’s, and more recently Danette and Mike’s and Thanksgiving at Bev and Frank’s, later Gene and Pat’s, and most recently Danette and Mike’s. Such good memories of family holidays spent together. Not many of the older adults are here anymore including my mother and father, Aunt Rose and Uncle Gene, Frank, Ada and now Bev, Gene and Pat, and my son Ryan. I am now the oldest in these gatherings and miss all the ones who came before me. Sadly, family gatherings will never be the same as Bev was the last tie that bound us all together.*
