We never got to enjoy that last meal together and never finished that last conversation, so you better be ready to do both when I get there. Tell Elvis hello for me. “ My deepest condolences to the family on the loss of your loved one. And may you find comfort reading the words found at Revelation 21:4. And when that prophecy is fulfilled, never again will we have to suffer the loss of a loved one in death. So may the Father of tender mercies and God of all comfort give you peace at this difficult time.
