“ Offer my condolence to the family, death our enemy claimed another life. We know from reading the bible that God yearns to bring our loved ones back to the earth as Job 14:13-15 says. Jesuse gave us a preview of this by bringing Lazerus back as John11:25,26 says. May this comfort your family through this difficult time.

“ *Sending my deepest condolences to Amber and the rest of her family. Bonita was a good friend. I was so happy when she called and said she was back home. Happy I got to see her the couple of times that I did. Hard to believe that she's really gone... Sending up prayers for comfort and strength to see you all through this time of sorrow and loss... 🙏 🙏*

“ *I grew up with Bonita Sue, she was always laughing, smiling and a wonderful person. Bonita Sue loved her daughter Amber so much as well as family and friends. Her dad and mom took us fishing and camping when we were kids. I also bought my first car from her a black Monte Carlo way back when Amber was a young baby. Bonita also was great at everything she did in life. The world has lost a beautiful smiling person and God now has a very bright Angel.*
