“ I just found out about Brad's passing today. I worked with Brad several times at Harbor freight and I am deeply saddened to hear about his passing so soon after he retired. He was a funny and good person and he deserves a peaceful rest after so many years of dedicated hard work. He once came into the store and quoted a Katy Perry song. He said, "Do you ever feel like a plastic bag, drifting through the wind?"

I'll always remember him that way. My prayers go out to his family. He will truly be missed.

“ I have been looking for Brad for a long time on social media. I hate that this is how I found him 😞 We worked together at Sears in the late 70's and was a good friend. We used to hang out a good bit. We laughed so much together. My favorite memory of him and I was when we went the Riverboat President to see Linda Ronstadt. I pray he had a happy life and that he's resting in eternal peace. I'm sorry for your loss 🙏
