

Brandi Lynn Smith

May 2, 1986 - June 16, 2020

Brandi Smith was a wonderful mother, loving wife, and proud grandmother. Heaven was ready for her before any of us was ready to say good-bye, but rest easy knowing that she went peaceful, and knew she was loved.

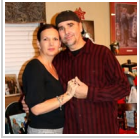

She left behind many who loved and cherished her. Her daughter, Miracle Dickerson; grandson, Colt Trapp; husband, Donald Graves; step son, Brandon Graves; sisters, Marie Karns and Chantell Cutrer; her big brother Greg Karns, brother in law Ron Cutrer, and her twin and other half Brandon Smith, (one soul, two bodies); Hazel Dennis, whom she loved like a daughter

Brandi is at peace knowing her beautiful daughter and grandson will continue to have many people looking after her in her absence. Just to name a few; Leonard Trapp (Colt's dad); Daniel Hoyt, Chris Bragwell, and Elizabeth Taylor. Waiting for her in heaven are her mother, Walter "Lynn" Smith; father, Louis Smith Jr.; and her brother Louis "Mann" Smith III.

She will be looking down on all of us and smiling, knowing that her family is remembering all the best and most loving memories of her. Brandi was truly the most unique woman in all the best ways possible, and she is flying high leaving a trail of glitter wherever she goes. Remember her as a caring person, devoted mother, and loving grandmother. She gave all in life, and every piece of her heart to the people she loved.

(It's a beautiful pain that we feel, but she found what she was looking for in heavens gate)

“ *My sister was always sparkly. Sometimes like a 🌈 sometimes like a 🔥. Depending on which side you got, you didn't forget her. I remember the joy I felt at the hospital the day she and Brandon was born.*
