💜💛 GBNF My Brother!
May your final ride be easy, and the road stretch far and wide. May each bend feel like a gentle curve, 'til the horizon meets the sky. May the rush of the wind whisper in your ear, and the sun glint in your eye. May you ride along this road with grace, as the sun sets, and falls from the sky. 💜💛

TH

*Brandon "Bulldog" was such a large part of my family. He would come for a "nite or two" and a month later he's give me a big Bulldog hug and say, " I promise, I am going home...and days would pass by. We loved him as another member of the family! There's not a single childhood memory that my bio kids have, that Bulldog wasn't a part of ? He was there when my dad passed in 2006, then my step father, in 2008. He gave my daughter away at her wedding in 2012, then there again in 2018 when my mother died. MY Bulldog was always there for all of us !!
He was my " son from another mother", and well miss him so much !!!*
