“ The entire family is in our thoughts and prayers. I have such fond childhood memories -- playing with the Williams girls who were my neighbors. My family moved to another state when I was almost a 5th grader but when we came back to visit family and friends, I loved meeting up with Brenda and Sandy and going to the roller rink. I am heartbroken to learn of Brenda's passing. My God bring her family comfort.

“ *Aunt BB..... that's how I will always remember my Aunt Brenda. Her smile was infectious to say the least, some light up the room when they walk in...she lit up everyone around her. Aunt BB's spirit was boundless, she carried so much on her shoulders and yet never a harsh word ever I heard from her lips. She is beautiful in every since of the word and my world is yet a little darker without her in it, she is in good company with my dad Sammie and with my maw-maw Nettie (Fred) and great grandparents Lawrence & Beatrice. I will always fondly remember playing with her and Pixsie (her Chihuahua at the time) when I was younger, and all those Christmas's and holidays spent with her.*

The memory of her smile will forever give me some happiness to hold onto.
