“ I was married to Brent and we had our son while together. I went threw 2 deployments with him . He came home from his 2nd deployment in time to see our son born. The smile on his face when he was born made me and even the nurses cry. Brent was always a character. Threw good times and bad we still remained friends. He'll always have a special place in my heart. I'll miss you dearly Brent. Watch over our son and Rest in Peace.
