“ Ms Judy, Ms Julie, and family- I am sorry for your loss.

I can't help but think of Brother Lord with a smile, both for the man he was and the place I know he is. I think specifically to the time when I was 14 or 15, that I heard the message and went up to ask Jesus to be my Savior. Although he hadn't preached the message, Brother Lord was there when I came up. I remember fumbling for the right words to say, and he said to me "Son, I sure have been praying for you..." It made me feel then, as it does thinking about it tonight, of what love he conveyed with his words. How welcoming and loving he was with all the people he encountered. It was a wonderful time those years he was at Blood River.

My family got to see him about 3 years ago when one of our own passed. It was a blessing to see him speak so passionately even then about our savior Jesus Christ. Thank you Lord family for sharing him with us for so many years.

“ *Ms. Judy, Julie and Family:*

So sorry the hear of Bro. L. C.'s passing. He has been a valued friend and Pastor. He and your family have been a source of encouragement for so many years.

For GOD did not appoint us to wrath , but to obtain salvation through our Lord Jesus Christ, who died for us, that whether we wake or sleep, we should live together with Him. 1 Thessalonians 5: 9-10.

As loved ones pass, I am encouraged by the blessed hope that all believers will be together in an eternal relationship with our Lord and Savior Jesus Christ. Until then, let us live our lives loving our fellow believers as Jesus commanded in John 13: 34-35, being His witnesses to all people.

My family and Doyle Baptist Church are praying for you and your family during this time.

IN Christ,

Marvin Palmer

It was my privilege to work with Bro. L C at FBC Broussard from 2003-2006. I loved the way he would break into song in the middle of preaching. God bless you, Ms. Judy.

“ These last nearly 6 years of serving along side of you in ministry as you as my pastor you could say 'what you see is what you get' genuine caring about people and their needs. But I can say that there truly is a different FUNNY side that some people never saw, unless the right place and the right time came along, and LC, you really didn't mean for it to be FUNNY but it was and our delayed laugh was my proof of that. You were looking for the words to introduce me to one of your long time buddies and you paused and just said 'my music guy'. I so respected how you loved people no matter their circumstances in life. I'll miss you.
