“ Sometimes words are not enough and really meaningless but, with this news of B J's passing I (& Poppa Joe) must say we Loved the boy, then later the man. Always a joy to be in his presence of laughter. Yes, there were many struggles along his way but, so have we all faced our own struggles and challenges. In a few days I will be facing the first anniversary (Dec 28,2014) of Poppa Joe's passing. I'm not ready to see another family going through the pain and broken hearts. Be assured my Heart is broken also with his death but, he will be in my prayers. Love to all,
