“ I remember the first time I spent the day with Uncle Canney and Aunt Grace at their house on the river. Uncle Canney made sure that him and Aunt Grace had a way to get in touch with me. They bought me a phone along with minutes and the whole nine yards. They took me to the flea market and got me something to eat that day. I also cherish that him and Aunt Grace never gave up on me and were my biggest supporters on going to rehab and back to school. I will forever remember you unk fligh high
