“ I met Carla back in 2010 in an “unfortunate situation “while we were both on a short “vacation”. We stayed in touch as much as we could, & ran into each other every now & then. We always prayed for each other. I was so devastated to hear of her passing so long after it happened. I know how she loved her family!! I loved her too very much! I will miss her!! I will always remember the friendship she gave me at a bad time in my life. She always made me Smile! I will keep her family in my prayers! 🙏
