“ *Carli and I meet in sixth grade. We were best friends. Then she became a part of my family. She was an amazing best friend and an awesome person. We haven't got to see each other in many years. We had so much fun together. She was a very admirable person to be around. We shared many laughs and many tears. We were there for each other. She had such a beautiful smile. I will cherish the memories Carli and I shared for a lifetime. I am so blessed to have known such an amazing and bright person. I will miss you Carli Kristene. Until I see you again, this is not where it ends, I will carry you with me.*

Carli, my dear sweet friend, you were taken from this world far too soon. I know it's selfish, but I wish you had been given more time. You deserve to be here with your daughter. She deserves to have you here with her. We deserve more time with you. I know you're in heaven holding your sweet baby girl who left this world far to soon as well and watching over us all now. Kyras will have an amazing guardian angel to look out for her. There's so many wonderful memories we shared together. I will cherish those forever. You were one of my best friends and my cousin and I can't express how much you will be missed. I love you Carli, spread your wings and fly high! For your family, you mom, and your sisters, I love you all very much! I have lots of memories from all the sleepovers we had at your house when we were younger. I want you all to know Carli was a very special young lady! She meant a lot to me and I can't imagine what you're going through right now. If you ever need anything or just to talk, please let me know.

“ *I would like to send my condolences. Carli was my half-sister by blood and we never got a chance to meet. We talked a lot and I am so thankful that she was interested in being a part of my life. I hate that she was taken at such a young age, and that I didn't have a chance to know her better. I hope she is resting peacefully with her little angel baby. <3*

(Revelation 21:4,5) Please know that I will keep you in my prayers.
