

Carol Jean Forsberg Redmond

December 29, 1938 - February 13, 2023

Carol, age 84, joined her husband in Heaven on Monday, February 13, 2023. She was a resident of Tickfaw, LA. Carol enjoyed going for bike rides or spending time painting. She could often be found sharing a glass of wine and good conversation in the evenings with her friends on Martin Lane. Carol adored her family, especially her husband. Carol was most recently retired from Southeastern Louisiana University and prior to that was a dedicated employee for over 30 years at Daybrook Fisheries in Empire LA., where her husband James also worked. Both Carol and James were active members of SELARC amateur radio club. She was truly a one of a kind lady that will be forever missed.

She is survived by her children, Leslie Peterson Buie (Brian), Mike Redmond (Dana); sister, Karen Wuitschick; brothers, Floyd C. Forsberg Jr. and Dana Hiler; and grandchildren, Casey Briana Buie, Christian Redmond, and Cassidy Redmond.

Carol is preceded in death by her husband, James H. Redmond Jr.; and parents, Gladys and Floyd Forsberg Sr.

Relatives and friends of the family are invited to attend a graveside service on Friday, February 17, 2023 at 12:00 p.m. at Rosaryville Cemetery.

“ Sending my deepest condolences for the loss of your Mother. Although I didn't really know your mom Leslie, what I do know, is that she raised an amazing, beautiful young lady. I know you will miss her but you have a heart filled with great memories. Praying for you and your family during these difficult times. 🙏

“ Carol was the first person I met when we moved to Empire, La in 1972. We became best friends (sisters). I will miss our phone calls. Rest in peace my dear friend. I will forever remember all the good memories we shared through our 50 year friendship. Thank you for always being there and all your support and advice. I love you. Lynn Sanger

KN

Carol had a one-of-a-kind sincere smile that warmed the soul. Always ready to lend a hand, she and James made a helpful team to more folks than we'll ever know.
