“ So sorry to hear about Carole. She was my first roommate at Anderson College and we enjoyed getting to know each other. We connected again at Anderson College when Frank and Carole came there so Frank could enter the seminary. We tried to keep up with each other's lives through our Christmas letters. I knew she and one of her son's had cancer at the same time but I didn't know both of her sons had passed. My sincere condolences to the grandchildren for all their losses. I really felt blessed to have known Carole. Also, thanks to Dorothy for updating me a couple of years ago on her status at that time.
