“ Carolyn is at peace, she isn't aware of how much her family and all those that are grieving her passing. Be still, feel her loving presence. Be assured she would hug you and remind you how much she loves you.

“ I am deeply saddened at the loss of Carolyn. She was a good friend back in our high school days, and it was so good reconnecting with her a couple years ago after missing out on over 40 years. My deepest sympathies to all of her family.
