“ *Beth & Family,
Our prayers & hearts go out to you & your families with the home going of Carolyn. She went to school with my youngest brother, William. They were good friends & he said he had such good memories of times they had. I got to see her at Albert's sometimes & we would visit. She was truly a blessing on this earth and now and now an angel 🙏 in Heaven. May God give you all amazing grace, strength, and courage in these days ahead! You are in our prayers!*

“ I feel so blessed to have gotten to know Carolyn over the last decade. She was an absolute Angel with a gentle sweet spirit who worked tirelessly to pray and do for others. With a brilliant mind, strong resolve and an unshakeable Faith she forged through I believe more than 3 decades and exceeded all odds after an injury that took her physical mobility. God Bless you sweet girl...I know your Mama was standing right next to Jesus with her signature smile to greet you when you arrived and your Daddy and brother right behind. Beth...you were a great sister and daughter. I pray for your comfort and strength through this sad time.
