“ *I'll always remember you laughing and standing at the stove cooking. She gave Me and MY family food out of her freezer when we were going through a bad time. She was the Best!!! I know Tammy and the crew will miss her so!!! Your life will give them such wonderful memories, Ms Cat, too beautiful to forget. Sending the family my thoughts, prayers, and strength to get past it all.*

“ *Dear Family,
As I sit here reading I just happened to go to the obituaries. I have not seen any of you in so long and your moms is the first one I saw. I am so sorry for your loss. You have lost one of the kindest women ever. I spent many hours in your mom and dad's home and they treated me just like the rest of you. I don't know how she put up with Elaine and Me so much. I have many wonderful hours of fun with them. Mrs. Catherine would just laugh at us. I don't know where the years have gone. You all will miss her very much but just remember all the good times. Thank you for sharing her with me. Again, remember she is in her promised land meeting Mr. Enos again.*

Love, Arwena Taylor Harper.

“ I had the privilege to call this lady my Maw-Maw. She was as genuine a person as they come. Second to her love for The Lord ,which she expressed often and shared with others, was her love for family. Nothing pleased her more than spending time with her family and cooking Sunday dinners after church. She will be deeply missed, but it puts a smile on my face to think of her in Heaven with Paw-Paw Enos and the rest of her loved ones. Oh what a day of rejoicing it will be when we all see Jesus as she has! I will continue to live life with Christ as the center and join her on those streets of gold one day.

“ Aunt Cat, I'll always remember you laughing and standing at the stove cooking. You are the one who taught me how to make red gravy the way Dinky liked it. And even to this day I make it the same way. I'll miss you and so will Dinky.
