“ Please accept my deepest sympathies for your loss. There is a void that cannot be replaced. Our loved ones have a permanent impact on our lives and they should never leave us. Their influence is invaluable all throughout our life, so they should be with us forever, especially when we have a problem and we need their advice. The God of all comfort wanted mankind to live forever and never experience suffering, pain and death. He sent his Son to earth to erase everything that plagues mankind, particularly death. God's Kingdom headed by Christ will establish a Paradise earth and bring our precious loved ones back again so we can enjoy living with them happy and healthy and sharing all our experiences with them, never to loss them again.##imported-begin##Marquell##imported-end##

“ I was so sorry to hear of the passing of a great friend. I remember all the good times at Cathryn and Melvin's when we all had time to visit. We done that about 2 times a week. We have no time now to visit. I will remember the beautiful smile she always had no matter what. Her family will be in my prayers, asking God for comfort and peace. Love you Cathryn, rest in the loving arms of Jesus##imported-begin##Leona Kinchen##imported-end##
