“ *Cecily was one of kind! All of us who knew her were blessed to have been the recipients of her warm hospitality, wit, generosity, and love. She impacted all our lives in nothing but positive ways. She was an exceptional educator who had the ability to make dull accounting relevant to her students and communities she worked with professionally. I believe she led a full, productive and interesting life that she wanted. Rest in Peace, C ... see you on the other side! Your friend, E*
