“ Aunt Chene, as she was known to us, was like a second mother to me. We talked often and shared so many of the same interest. We shared recipes, gardening tips, and books we read. Her love for the Lord was such an influence to Larry and I and we contribute our walk with the Lord to her and Uncle Art. I'll so miss her and our weekly conversations. Even in my tears I know she is rejoicing with the Lord she loved.##imported-begin##Sharon Smith##imported-end##
